Re-usable, Washable Face Masks

Available in Black, Navy, or White and in Small, Medium, or Large. Each reusable mask is made in America using premium Supima cotton. Each individual layer of cotton creates a 3-dimensional barrier to help limit the spread of droplets and bigger contaminants, and the two layers in each mask increase coverage without significantly limiting airflow. This creates a comfortable, breathable face mask that also follows the guidelines laid out by the CDC.

Face mask sizing.

This Cloth Face Mask is currently available in small, medium, and large sizes to fit kids, teens, and adults. The top of the mask fits across the bridge of your nose, and the elastic ear loops are made to stretch for a secure fit. Small face masks are great for kids and children, while medium and large face masks are great for teens and adults. [Learn more](#) about the importance of a well-fitting face mask.
